Sir,

With reference to your letter No.G.11640-1/San, dated 3-5-1927, calling for my opinion whether Ulvi or Jade is more urgently in need of a dispensary, I have the honour to state that the need for a dispensary at Ulvi was being pressed for a very long time past and was accepted by Government when they included it among the four places to be given dispensaries in the Shimoga District. (Vide Government Order No.L.3448-56 Med.144-22-45, dated 6-11-1924.) But as no accommodation was then available at Ulvi, a dispensary was ordered to be opened, instead, at Basrikatte where the local residents were ready with necessary buildings. (Vide G.O. No.L.7254-58 Med.15-24-28, dated 9/14-4-1925.) A midwife has been posted to Ulvi for the past eight years in view of the urgency. The claims of Jade have only now been put forward. In my opinion, therefore, Ulvi deserves a dispensary more than Jade.

I have the honor to be,

Sir,

Your most obedient servant,

Sir,

With reference to your letter No. G. 12615/San. dated the 31st May 1927 calling for my opinion as to whether Ulvi or Jade in Sorab Taluk is more urgently in need of a dispensary, I have the honour to state that although the need for a dispensary at Ulvi is being pressed for a very long time, I think, Jade should be preferred to Ulvi in-as-much-as Ulvi is a road-side village lying midway between Sagar and Sorab, 9 miles from either end - both of which are provided with Dispensaries. Jade, however, is situated in the interior of the Taluk without suitable facilities in the way of communications and is as unhealthy as Ulvi. The whole Hobli is cut off from the other portion of the Taluk by the Warada River which becomes unfordable during the Monsoon. For this reason, I consider that Jade should receive earlier consideration. There is at present a grant-in-aid Vaidyasala at Jade which I think may be abolished and the savings effected utilised for establishing for the present a Rural Dispensary at Ulvi.

With reference to your No. G. 910/Sany. 20-26-29 dated 23rd July 1927 enquiring whether the District Board was consulted in the matter of location of the dispensary at Jade, I have the honour to reply in the negative. I may point out there was no suggestion in your letter No. G. 12615/Sany. C.1 dated 31-5-27 about consulting the Board in the matter. By a reference to previous correspondence on the subject of shifting the Dispensary from Ulvi to Chandragutti, it was seen that the District Board was consulted in the matter and the resolution passed at its Meeting held on 5-12-1924 is herewith submitted for perusal. It is stated that Ulvi is situated on the high road midway between two Local Fund Dispensaries of Sagar and Sorab. There is regular Motor Bus Service on the road. In view of the fact that interior parts of the Taluk without suitable facilities by way of communications were in urgent need of a dispensary, I recommended the location of the dispensary at Jade in preference to Ulvi. I will, however, place the subject before the Board at its next Meeting and communicated its views in the matter.
